We offer the best service on our AD0-E708 study guide, If you're doubtful about the excellence of AD0-E708 exam material, so you may try the free demo to test the quality features of our material.

NEW QUESTION: 1

Ann, a local librarian, has had a previously used wireless access point donated to her. She has instructed you to configure this new wireless access point for her public library. Ann plans to allow anyone to connect to the access point without having to ask her for configuration information. Additionally, Ann knows that her neighbors have wireless network and wants to ensure that her network has the least likelihood of interfering with the other networks. Ann has provided you with the following information.

Wireless Name: Library
New Router Password: Secure\$1

INSTRUCTIONS

Instructions: Select the Public Library in the diagram to configure the wireless network.

Once the wireless network tabs are configured, select the save button.

When you have completed the simulation, please, select the Done button to submit.

Answer :

Explanation:
See explanation below
