**NEW QUESTION: 4** Which statement below is NOT correct about reviewing user accounts? **A.** User account reviews may be conducted on a system-wide basis. **B.** User account reviews cannot be conducted by outside auditors. **C.** User account reviews can examine conformity with the concept of least privilege. **D.** User account reviews may be conducted on an application-by-application basis. **Answer: B** **Explanation:** It is necessary to regularly review user accounts on a system. Such reviews may examine the levels of access each individual has, conformity with the concept of least privilege, whether all accounts are still active, whether management authorizations are up-to-date, or whether required training has been completed, for example. These reviews can be conducted on at least two levels: on an application-by-application basis or on a systemwide basis. Both kinds of reviews can be conducted by, among others, in-house systems personnel (a self-audit), the organizations internal audit staff, or external auditors.
